

## **3 SIMPLE STEPS TO TAKE**

1. Give your insurance Carrier a call and file a claim for Wind/Hail damage resulting from the recent storms.

CLAIM

3. Call your specialist with **ECHO Repair, Remodel, and Reconstruction** to come back out and meet with your insurance company's adjuster.

\*This will insure proper treatment of the homeowner by the insurance company and expedite the process by allowing both contractor and insurance representative to be on site simultaneously.
